Re: In the Matter of the Companies Listed in Attachment A
Application for Consent to Transfer Of Control of a Company Holding a Blanket
Domestic Authorization Pursuant to Section 214 of the Communications Act of 1934, as
Amended

Enclosed for filing, on behalf of CTC Communications Group, Inc. (“CTC Group”) and Choice One Communications Inc. (“Choice One”) (CTC Group and Choice One, collectively the “Parties”), please find an original and five (5) copies of the above-captioned application. The Parties request authority for the transfer of control of the 18 companies listed in Attachment A (all subsidiaries of CTC Group and Choice One) as a result of the merger of CTC Group with and into Choice One. These companies hold domestic Section 214 authority.

The Parties note that many of the companies listed on Attachment A also hold international Section 214 authority and that certain subsidiaries of Choice One, not listed in Attachment A, hold international Section 214 authority but no domestic Section 214 authority. The application that is attached is a joint domestic and international application that covers all the companies listed in Attachment A plus the Choice One subsidiaries that hold only international Section 214 authority. Because this a joint application, the application is being filed concurrently with the International Bureau via its IBFS electronic program.

Remittance Form 159 and a check to cover the \$16,100 filing fee (18 companies @ \$895.00 each) are appended. An additional copy of this filing for date-stamp and return has been provided as well. If there are any questions regarding this application, please contact the undersigned counsel. Thank you in advance for your assistance with this matter.

APPLICATION

CTC Communications Group, Inc. ("CTC Group") (FRN: 0009-7049-74) and
Choice One Communications Inc. ("Choice One") (FRN: 0006-2922-39) (CTC Group
and Choice One, collectively the "Parties" or "Applicants"), by their attorneys, hereby
request authority pursuant to Section 214 of the Communications Act of 1934, as

amended, 47 U.S.C. §214 (the "Act"), and Sections 63.04 and 63.24(e) of the Commission's Rules, 47 CFR §§ 63.04, 63.24(e), to transfer control of the CTC Group subsidiaries listed in **Exhibit A** ("CTC Subsidiaries") and the Choice One subsidiaries listed in **Exhibit A** ("Choice One Subsidiaries") as a result of the merger of CTC Group with and into Choice One. As discussed herein, CTC Group and Choice One own a number of competitive local exchange carriers ("CLECs") that provide a variety of telecommunications and information services to business and residential customers in the Northeast (CTC Group and Choice One), the Mid-Atlantic states (CTC Group), or the Midwest region (Choice One). Details regarding the domestic and international Section 214 authority held by the CTC Subsidiaries and Choice One Subsidiaries are contained in **Exhibit A**.

The Applicants respectfully request streamlined treatment of this Application pursuant to Sections 63.03 and 63.12 of the Commission's Rules, 47 C.F.R. §§ 63.03 and 63.12. This Application is eligible for streamlined processing pursuant to Section 63.03(b)(2) of the Commission's Rules, 47 C.F.R. § 63.03(b)(2), because: (1) the proposed transaction will result in the surviving corporation from the merger ("Surviving Corporation") and its affiliates (as that term is defined in Section 3(1) of the Act) having a market share in the interstate, interexchange market of less than 10 percent; (2) Surviving Corporation (including its affiliates) will provide competitive telephone exchange services or exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction; and (3) neither the Applicants nor any of their affiliates are regulated as dominant with respect to any service. This Application also qualifies for streamlined treatment under Section 63.12 because, in

accordance with Section 63.12(c): (1) Surviving Corporation will be affiliated with foreign carriers, but for each such affiliate, the Commission has previously determined that the affiliated foreign carrier lacks market power in the countries in which it operates; (2) Surviving Corporation will not be affiliated with any dominant U.S. carrier; and (3) no authority is requested to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines.

I. APPLICANTS AND LICENSEES

A. Choice One and the Choice One Subsidiaries

Choice One is a Delaware corporation with headquarters at 100 Chestnut Street, Suite 600, Rochester, New York 14604. Choice One is a holding company for the Choice One Subsidiaries, which are also headquartered at 100 Chestnut Street, Suite 600, Rochester, New York 14604. The Choice One Subsidiaries are common carriers that provide communications and information services to small and medium size businesses predominantly in the Northeast and Midwest regions (Connecticut, Illinois, Indiana, Maine, Massachusetts, Michigan, New Hampshire, New York, Ohio, Pennsylvania, Rhode Island, and Wisconsin).

The Choice One Subsidiaries' service offerings include local exchange services, long distance services, Internet access (including DSL), and web hosting, design, and development services. The Choice One Subsidiaries provide their services using TDM, ATM, and a broadband packet-based network that includes an extensive fiber optic backbone. In addition, the Choice One subsidiaries provide service by reselling, to a

limited extent, the local and interexchange telephony services of other telecommunications carriers.

B. CTC Group and the CTC Subsidiaries

CTC Group is a Delaware corporation with headquarters at 220 Bear Hill Road, Waltham, Massachusetts 02451. CTC Group is a holding company for the CTC Subsidiaries, which are also located at 220 Bear Hill Road Waltham, Massachusetts 02451. The CTC Subsidiaries are common carriers that provide communications services to medium and large size businesses predominantly in the Northeast and Mid-Atlantic regions (Connecticut, Delaware, District of Columbia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Virginia, and West Virginia) as well as to residential customers in Connecticut.

The CTC Subsidiaries' service offerings include local, long distance, and toll free telephony services; post-paid calling card services; conference calling; frame relay, private line, DSL, VPN, and ATM services; Internet access, webmail and converged services. In addition, wireless services (cellular and paging) are provided in Connecticut. Where possible, the CTC Subsidiaries provide their services using their broadband, IP-based network known as the PowerPath® Network. The PowerPath® Network includes Cisco network infrastructure and a redundant fiber optic backbone (8,200 fiber miles). The network also includes the use of packet switching technology as well as more traditional circuit switches. The CTC Subsidiaries also furnish wireline data telecommunications services over an ATM-based broadband network that the companies have deployed throughout the high-density business markets in Connecticut. This network consists of ATM switches as well as transmission facilities that they obtain from other telecommunications carriers. In addition, the CTC Subsidiaries provide service by

reselling the local and interexchange telephony services of other telecommunications carriers. In Connecticut, the company's offerings also include resold cellular and paging services.

CTC Group is a wholly-owned subsidiary of Columbia Ventures Broadband LLC ("CVC Broadband"), which is, in turn, a wholly-owned subsidiary of Columbia Ventures Corporation ("CVC"). CVC Broadband, a Washington state limited liability company, is a holding company. CVC, a Washington state corporation, owns and operates a portfolio of telecommunications companies and a small number of manufacturing businesses around the world. CVC holds global facilities-based and resale international Section 214 authority as granted by the Commission on October 16, 1998 in IB File No. ITC-214-19980820-00606 to a CTC Subsidiary, CTC Communications of Virginia, Inc. ("CTC Virginia"), and subsequently assigned on a *pro forma* basis to CVC.¹ Neither CVC nor CVC Broadband provide telecommunications services.

In August 2004, CVC notified the Commission that a number of wholly-owned CVC subsidiaries – including CVC Acquisition Company (Ireland) Limited (now known as Hibernia Atlantic Cable System Limited or "Hibernia Ireland"), CVC Acquisition Company (UK) Limited (now known as Hibernia Atlantic (UK) Limited or "Hibernia UK"), CVC Acquisition Company (Canada) Ltd. (now known as Hibernia Atlantic Communications (Canada) Company or "Hibernia Canada"), and Columbia Ventures U.S. Acquisition LLC (now known as Hibernia Atlantic U.S. LLC or "Hibernia USA") -- would operate under CVC's Section 214 authority, as permitted under Section 63.21(h)

¹ See Letter from Joan E. Neal, counsel to CVC, to Marlene H. Dortch, Secretary, FCC, dated May 6, 2004, in FCC File No. ITC-214-19980820-00606.
